Inside the Main Building (First Floor):

To get to the building from the main gate of the university, walk straight ahead and enter through the main door of the building, go straight take stairs that are opposite to reception to reach to the first floor,

1. Director of Academics Office:

After coming up from ground floor to first floor, go to left side there is only one office on your left side which is Director of Academics Office.

2. Arfa Karim Lab:

Once you reach on first floor, go to right side the first on your right side is Arfa Karim Lab.

3. Salim Ghauri Lab:

After coming up from ground floor to first floor, go to right side the second door next to Arfa Karim lab will be Salim Ghauri Lab.

4. 1st Floor Girls Wash Room1:

After coming up from ground floor to first floor, go to right side the third door is girls wash room.

5. Steve Jobs Lab:

After coming up from ground floor to first floor, go to right side the last door on your right hand side will be Steve Jobs Lab.

6. Law Library:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn the first door on your right side will be Law Library.

7. LR-116:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn the Second door on your right side very next to Law library is LR-116.

8. LR-115:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn the third door on your right side followed by the LR-116 is LR-115.

9. LR-114:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn the fourth door on your right side followed by the LR-115 is LR-114.

10. 1st Floor Male Faculty Wash Room:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight throughout the end and the male faculty wash room will be at the end of your right hand side.

11. LAW HOD Office:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn, on your left side the first door after the stairs is LAW HOD office.

12. LAW MOOT Room:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn, on your left side the second door after the stairs is LAW MOOT Room.

13. LR-112:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn, on your left side the third door after the stairs will be LR-112.

14. MIT HOD Office:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn, go straight on your left side the Fourth door after the stairs is MIT HOD office.

15. HOD of Computer Science and Information Technology:

After coming up from ground floor to first floor the HOD office of Computer Science and Information technology will be right in front of you.

16. Linus Torvalds Lab:

After coming up from ground floor to first floor, take right turn go straight second door on your left side will be Linus Torvalds tab.

17. LAB 1:

After coming up from ground floor to first floor, take right turn go straight third door on your left side will be Lab1.

18. 1st Floor Girls Wash Room2:

After coming up from ground floor to first floor, take right turn go straight fourth door on your left side is for Girls wash rooms.

19. LAB 2:

After coming up from ground floor to first floor, take right turn go straight throughout the end of lobby and Lab2 will be at the end of you left side

20. IT Center:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn the first door on your left side is IT Center.

21. Research Lab:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn the Second door on your left side will be Research lab.

22. LR-102:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight and the third on your left side will be LR-102.

23. LR-103:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight the fourth door on your left side followed by LR-102 will be LR-103.

24. LR-104:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn go straight and second last door on your left side followed by LR-103 will be LR-104.

25. 1st Floor boys Wash Room1:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn go straight the last door on your left side is Boys wash room.

26. LR-108:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, on your right side the first door after the stairs is LR-108.

27. LR-107:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, on your right side the second door after the stairs followed by LR-108 is LR-107.

28. LR-106:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, on your right side the third door after the stairs followed by LR-107 is LR-106.

29. LR-105:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight on your right side the fourth door after the stairs followed by LR-106 is LR-105.

30. 1st Floor boys Wash Room2:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight till the end of lobby and last door on your right side is boys wash room.

31. Library:

After coming up from ground floor to first floor, go straight to the right side of the stairs cross the lobby and then take right turn library is on your left hand side.

Inside the Main Building (Second Floor):

To reach the building from the main gate of the university, walk straight ahead and enter through the main door. Go straight and take the stairs opposite the reception to reach the first floor. Once on the first floor, take the stairs on your left to reach the second floor.

1. Dean of Science:

After coming up from ground floor to second floor, go to left side there is only one office on your left side which is Dean of Science.

2. LR-209:

Once you reach on Second floor, go to right side the first door on your right side is LR-209.

3. LR-210:

After coming up from ground floor to second floor, go to right side the second door Followed by LR-209 will be LR-210.

4. 2nd Floor Girls Wash Room1:

After coming up from ground floor to second floor, go to right side the third door next to LR-210 will be Girls Wash Room1.

5. Chemistry Lab:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right turn the first door on your right side will be chemistry lab.

6. Pharmacognocny Lab:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right turn the second door on your right side next to chemistry lab will be pharmacognocny lab.

7. HOD Biology of Science:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight the third door on your right side will be HOD Biology of Science.

8. LR-214:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight turn the fourth door on your right side will LR-214.

9. 2nd Floor Male Faculty:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight turn the second last door on your right side will Male Faculty.

10. 2nd Floor Male Faculty Wash Room:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight turn the last door on your right side will be Male faculty wash room.

11. Physics Lab:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right, first door on your left side will be physics lab.

12. Electronic Lab:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right, door on your left side next to stairs will be electronic lab.

13. LR-212:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight, third door on your left side will be LR-212.

14. LR-213:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight, Fourth door on your left side followed by LR-212 will be LR-213.

15. 2nd Floor Female Faculty:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight, second last door on your left side will be Female faculty.

16. 2nd Floor Female Faculty Wash Room:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take right go straight, last door on your left side will be Female faculty wash room.

17. LR-208:

After coming up from ground floor to second floor, LR-208 will be right in front of you

18. LR-207:

After coming up from ground floor to first floor, take right turn second door on your left followed by LR-208 side will be LR-207.

19. LR-206:

After coming up from ground floor to first floor, take right turn go straight third door on your left followed by LR-207 side will be LR-206.

20. 2nd Floor Girls Wash Room2:

After coming up from ground floor to first floor, take right turn fourth door on your left side will be Girls Wash room2.

21. PHD Faculty:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn, first door on your left will be PHD faculty.

22. Faculty Offices:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn, second door on your left side will be faculty office.

23. LR-201:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn go straight, third door on your left side will be LR-201.

24. LR-202:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn go straight, fourth door on your left side followed by LR-201 will be LR-202.

25. 2nd Floor Boys Wash Room1:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn go straight, second last door on your left side will be Boys wash room1.

26. HOD Office:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn go straight, last door on your left side will be HOD Office.

27. Zoology Lab:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn, first door on your right side will be PHD zoology lab.

28. Basic Medical Lab:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn, second door on your right side will be basic medical lab.

29. LR-203:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn, third door on your right side will be LR-203.

30. 2nd Floor Boys Wash Room2:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby and then take left turn, fourth door on your right side will be boys wash room2.

31. Department of Physics:

After coming up from ground floor to second floor, go straight to the right side of the stairs cross the lobby, department of physics is directly ahead, at the center of the second floor.

Inside the Main Building (Third Floor):

To reach the building from the main gate of the university, walk straight ahead and enter through the main door. Go straight and take the stairs opposite the reception to reach the first floor. Once on the first floor, take the stairs on your left to reach the second floor, once on second floor take stairs on your left side to reach the third floor.

1. HOD Software Engineering:

After coming up from ground floor to third floor, go to left side there is only one office on your left side which is HOD Software Engineering.

2. Studio Fine Arts:

Once you reach to third floor, go to right side of stairs the first door on your right side is studio of art.

3. LR-309:

After coming up from ground floor to third floor, go to right side of stairs the second door will be LR-309.

4. LR-308:

After coming up from ground floor to third floor, go to right side of stairs the third door Followed by LR-309 will be LR-308.

5. 3rd Floor Girls Wash Room:

After coming up from ground floor to third floor, go to right side of stairs, cross the lobby, last door on your right side will be girls wash room.

6. HOD Office FTFD:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn, first door on your right side will be HOD office of FTFD.

7. Faculty of FTFD:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn, second door on your right side will be faculty of FTFD.

8. LR-313B:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, third door on your right side will be LR-313B.

9. LR-319:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, fourth door on your right side followed by LR-313B will be LR-319.

10. LR-318(Pattern Lab):

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, second last door on your right side followed by LR-319 will be LR-318(Pattern room).

11. LR-317:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, last door on your right side followed by LR-318 will be LR-317.

12. Male Faculty(Computer Science):

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn, first door on your left side will be Male Faculty.

13. LR-314:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, second door on your left side followed by stairs will be LR-314.

14. LR-315(Design Studio):

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, third door on your left side followed by LR-314 will be LR-315.

15. LR-316(Sewing Lab):

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take right turn go straight, last door on your left side followed by LR-315 will be LR-316.

16. LR-310:

Once you reach to third floor, LR-310 is right in front of your opposite of stairs.

17. LR-311:

After coming up from ground floor to third floor, go straight to the right side of the stairs, second door on your left side will be LR-311.

18. LR-312:

After coming up from ground floor to third floor, go straight to the right side of the stairs, third door on your left side followed by LR-311 will be LR-312.

19. 3rd Floor Boys Wash Room:

After coming up from ground floor to third floor, go straight to the right side of the stairs fourth door on your left side will be boys wash room.

20. LR-307:

After coming up from ground floor to third floor, go straight to the right side of the stairs, cross the lobby, last door of your left side in lobby will be LR-307.

21. Male Faculty (Information Technology):

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, first door on your left side will be male faculty of IT.

22. Female Faculty:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, second door on your left side will be female faculty.

23. LR-301:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight third door on your left side will be LR-301.

24. LR-302:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight second last door on your left side followed by LR-301 will be LR-302.

25. LR-303:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight last door on your left side followed by LR-302 will be LR-303.

26. LR-320:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, first door on your right side will be LR-320.

27. Female Faculty(Computing and IT):

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight second on your right side will be female faculty.

28. LR-306:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight third door on your right side followed by stairs side will be LR-306.

29. LR-305:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight second last door on your right side followed by LR-306 will be LR-305.

30. LR-304:

After coming up from ground floor to third floor, go straight to the right side of the stairs cross the lobby and then take left turn, go straight last door on your right side followed by LR-305 will be LR-304.
